

2022 Sponsorship Packages

Awakening Into The Sun proudly invites you to participate as a sponsor of its 9th Annual Health & Wellness Festival to generate awareness about local Music, Art, Health, and Community. Our event is co-sponsored by the city of St. Pete, Florida and draws over 10,000 people in foot traffic during the two-day event.

If you are as passionate as we are about health, wellness, music, art and community, we have an exciting opportunity for your organization. A sponsorship opportunity is a great way to increase your organization's recognition and goodwill in the community. Your logo will receive 100,000+ visual impressions from our social media channels and website visitors, in addition to our print advertising including staff t-shirts and festival signage.. Partner sponsor logos are displayed on 10+ billboard advertisements that run for five full weeks prior to the festival.

A limited number of sponsorships are available and we offer category exclusivity to our Partner Sponsors. We encourage interested organizations to sign up as early as possible for the highest level of advertising exposure.

Partner Sponsor

- **Exclusive logo recognition on 10+ billboard advertisements for FIVE full weeks prior to the festival**
